Association of Compost Producers Membership Levels

The Association of Compost Producers (ACP) is the California state chapter of the US Composting Council. Our mission is to expand the value and volume of compost in California through education, market development, networking, and advocacy. Memberships are based on organization type and size, please select the appropriate level of membership for your organization. Monthly membership options can be found at this link.

Platinum
$420/Renews monthly or can be billed annually at $5,000.

Recommended for well-resourced compost industry stakeholders who have an interest in the long term development of the industry and composters who produce more than 75,000 tons of compost per year and municipalities with a population greater than 1,000,000. This membership includes ten seats and is board eligible.

Benefits:

- Logo on ACP website
- Promotional Opportunities:
    - Up to 2 LinkedIn posts per year
    - Up to 2 Spotlight Newsletter Announcements per year
- Prioritized participation in market development opportunities such as the Compost Caravan
- Opportunity to be Featured on
    - Website
        - Compost Producer Map
        - SB1383 Procurement Page
    - Spotlight newsletter/LinkedIn Page
        - Share job postings
